

## **NPSS Awards Paul Phelps Continuing Education Grant**

**Description:** To promote continuing education and encourage membership in NPSS.

**Prize:** A total of \$4000 is available to help promising students participate in NPSS short courses. Nominal awards for the NSREC Short Course are \$500-\$1000, and are used to cover tuition. Under special circumstances, the grant can also be used to cover partial travel expenses to attend the short course.

**Funding:** Funded by the Nuclear and Plasma Sciences Society.

**Eligibility:** Outstanding **Student Members of NPSS** or unemployed Members of NPSS who need assistance in changing career direction.

**Basis for Judging:** Exceptional promise as a Graduate Student in any of the fields of the NPSS, exceptionally good work in those fields for currently unemployed NPSS members, and an expectation that attendance to one or more of the Short Courses will result in improved possibility of obtaining a job in the NPSS fields.

**Presentation:** Presented each year at the NPS sponsored conference in which the Short Courses are given. The awards will be handled prior to the dates of the Conference, so that award recipients can apply the corresponding funds towards covering tuition and/or traveling costs to the Short Courses.
